A Message to Members

Dear Members and Friends,

It is hard to believe that Summer has passed, and Autumn is now upon us with cooler temperatures and nature's display of beautiful colors. Thankfully, COVID-19 remains at manageable levels, and we continue to maintain a more familiar work environment at our credit union offices. We look forward to assisting you with your financial needs and providing an outstanding member experience.

One of the lingering effects of the COVID-19 Pandemic is staff shortages. Throughout this time, we have maintained operations at all our office locations without a closure. Unfortunately, we have reached a staffing level where we cannot continue to operate all offices without your member service experience suffering. As a result, the Board of Directors has approved a management proposal for a short-term closure of our Eastgate Branch office starting September 21, 2022, through November 30, 2022. Eastgate Branch Office staff are working from our Westville and Fairchild Branch offices. We apologize for the inconvenience and are working on training and hiring existing and new staff to reopen the Eastgate Branch Office by December 1, 2022.

We continue to offer Credit Sense, a free service available through online and mobile banking that helps users understand their current credit score, gives access to their full credit report, provides credit monitoring and alerts, and learn how they can save money on new or existing loans with the credit union. Please take the time to opt into this program through our online or mobile banking products. During the 4th quarter of 2022, we will introduce a new overdraft privilege/courtesy pay program and mobile check capture.

We continue to offer competitive loan rates with up to an additional ½% member loyalty discount based on how you utilize the credit union. Our loan officers are always available and ready to assist you with your lending needs. Please do not hesitate to contact us with any questions.

Sincerely,

Jerry W. Harper, Jr

President/CEO

Beware of spooky scams

Scammers are using every tool they can to get people to give away their information and money. They target people of all ages. They will call, text, email, use social media, or even snail mail, hoping for people to fall victim to their scams. Whatever you do, do not fall for it. If you ever have any questions about anything, please reach out to us.

Dormant Account Policy

Landmark Credit Union reviews all accounts on an annual basis. Accounts that have had no activity for a 12-month period are considered an inactive/dormant account. Our posted fee schedule includes an inactive/dormant account fee of \$25.00. This fee is assessed to all accounts once they reach an inactive/dormant status. State law requires that if no activity occurs on such an account for 3 years, the account holder(s) and address(s) be reported and the remaining funds be remitted to the Illinois Unclaimed Property Division. Please note that cashing checks is not considered activity on your account, and will not prevent your account from becoming dormant. Keeping your account active to avoid an inactive/dormant account fee just requires the balance to increase or decrease by a transaction initiated by the member.

Wreaths Across America

We will be accepting donations for Wreaths Across America to help reach their goal this year. Landmark Credit Union will match up to \$1,500.00. It's a great way to honor those brave men and women who have given the ultimate sacrifice. Donate before Friday, November 18th.

CU Kind Day

This Oct. 10, credit unions across the State of Illinois will have the opportunity to showcase the credit union difference by donating, volunteering or simply showcasing what they have done throughout the year. Giving back to our members, communities and beyond is part of what makes you different. This annual day of kindness is our chance to show our communities throughout Illinois how much credit unions care!
